- ❖ **Sunsetting the Temporary Process to Streamline Certificates of Achievement:** At the March 3rd meeting, CCC held a first read of an updated draft of the Temporary Process to Streamline Certificates of Achievement, which was originally approved in October, 2018. This process was created to allow divisions to quickly respond to changes made by the state Chancellor's Office related to the minimum units allowed for a certificate of achievement. When CCC approved the process, no final deadline for its use was included; the updated process proposes a final deadline of June 19th, 2020, for divisions to submit certificate proposals for CCC review. For more information or to share your thoughts about this proposed deadline, please contact your CCC Reps.
- ❖ **Coronavirus Planning:** At the March 3rd meeting, CCC engaged in discussions regarding the possibility of a campus closure in response to the spread of the Coronavirus. This topic was not part of the planned agenda for the meeting, but the group made it a priority at the request of President Thuy Nguyen. Multiple student guests joined the CCC Reps in brainstorming ideas for ways that face-to-face classes could continue to be offered during a campus closure. Campus-wide discussions on the topic of a possible closure will continue—if you have any questions or would like to get involved, please reach out to your CCC Reps.
