- ❖ **Guided Pathways Mapping Approval Process:** At the March 16th meeting, CCC welcomed guest speakers Isaac Escoto and Fatima Jinnah, who led the group in a discussion about determining the best process for formal approval of Program Maps. The Guided Pathways Steering Committee is a study group of the Equity & Education Council, and as a result of conversations involving leaders from the GP leadership team, E&E, and Academic Senate, the idea came up that CCC might be a more logical place for approval of Program Maps. Isaac and Fatima provided information on the work that has already been done to create Program Maps for the current year, and the group shared their thoughts on how the process for approval of these Maps could look. We hope to make a formal decision at the next CCC meeting—if you would like to share your own thoughts about this process, please reach out to your CCC Reps.
  
- ❖ **ASCCC Spring Plenary Resolutions:** CCC has shared resolutions that will be discussed at the spring ASCCC plenary session. For a copy of the resolutions, please contact your CCC Reps or Eric.
