❖ **Updating Foothill GE:** On November 19th, CCC held a first read of a document which proposes placement of each current Foothill GE course on the new pattern (effective for the 2025-26 year) and ensures that all courses currently approved for Foothill GE will be included on the new pattern. The document is attached to this communiqué, and the proposed placements are as follows:

- Current Area I courses placed in new Area 3
- Current Area II courses placed in new Area 1A
- Current Area III courses placed in new Area 5
- Current Area IV courses placed in new Area 4
- Current Area V courses placed in new Areas 1B & 2:
  - Area 2: C S 18, all MATH courses, PSYC 7, SOC 7
  - Area 1B: remaining Area V courses
- Current Area VI—most courses are also approved for other GE areas (and have been placed in the corresponding new areas), but a few are approved for just Area VI. The following placements are proposed, based on existing transfer GE approvals:
  - CHLD 51A—new Area 4
  - HUMN/MDIA 12—new Area 3
  - HUMN/MDIA 12H—new Area 3
  - MDIA 8A—new Area 4
  - SOC 8—new Area 4
- Current Area VII courses placed in new Area 7
- All active ETHN courses placed in new Area 6

Similar placements are proposed for most of the current Foothill GE Apprenticeship program approvals. Additional discussion is needed regarding how to handle their Area V approvals, and their Area VI approvals will likely not carry over into the new pattern, as there is no equivalent new area.

The document will return for a second read and possible action on December 3rd, so please review it closely and don't hesitate to reach out to your CCC Reps or anyone on the CCC Team with any questions or concerns.

- ❖ **Division CC Brown Act Compliance:** The November 19th meeting saw the debut of a new Consent Calendar item, which provides current details about each of the division curriculum committees. Moving forward, this item will be included on every CCC meeting agenda, to help ensure transparency about how each of the division CCs operates and to better enable interested folks to attend division CC meetings.

Reminders:

- ❖ **Upcoming Curriculum Deadlines:**
  - *Monday, December 2nd:* Deadline to submit courses to Evan for Cal-GETC for 2025-26. To submit a course, simply send him an email—it's that easy!

This GE pattern is intended for students pursuing a Foothill College AA or AS degree. It is not for students pursuing an Associate Degree for Transfer (AA-T or AS-T). Students planning to earn an AA-T or AS-T must complete the Cal-GETC pattern.

- ☐ a minimum of 90 units in prescribed courses
- ☐ a minimum of 18 units completed at Foothill College
- ☐ a grade point average of 2.0 or better in all college courses
- ☐ a major of at least 27 units in an approved curriculum
