### **Agenda:**

#### Action Items:

- A review of the GE application for the LU 393 San Jose Pipes HVAC Program Area: GE Area Communication & Analytical Thinking.
- A review of the GE application for the HVAC Local 393 Program: GE Area U.S. Cultures & Communities.
- A review of the GE application for the LU 393 Steamfitting: GE Area Lifelong Learning.
- A review of the GE application for the LU 393 Steamfitting: GE Area Communication & Analytical Thinking.

In the discussion, the ACC reviewed the 4 GE applications and Stephan motioned for a slate approval, Tim second the motion and all ACC members unanimously voted aye.

All the training centers acknowledge the incredible leadership of Paul Starer in his efforts to work with the faculty and three programs. Because of Paul's leadership and dedication, training centers could work closely with faculty with guidance from Paul. Everyone took the time to celebrate Paul and his leadership with this work during the academic year.
