

**2020 DIAGNOSTIC MEDICAL SONOGRAPHY PROGRAM**  
**APPLICATION INSTRUCTIONS**

Application Deadline: **May 1, 2020 at 11:59pm PDT**

Our Diagnostic Medical Sonography Application is now available online. Please make sure that you give yourself enough time to read through the instructions so that you can submit a complete application, by the deadline.

**Please follow the instructions below in order to submit your  
2020 Diagnostic Medical Sonography Application:**

***Before you apply***

1. Please visit the Diagnostic Medical Sonography website and read the available information.

[Diagnostic Medical Sonography Program Website](#) <-- click here

2. In order to apply to the Diagnostic Medical Sonography Program, you must obtain a campus wide identification number or CWID. If you don't have a CWID, you may obtain one by submitting an application to Foothill College, at no cost to you. For more information on how to do this, please visit Foothill College's Registration Website:

[Foothill College's Registration Website](#) <-- click here

***Application Requirements***

3. Make sure you're ready and eligible to apply, by reviewing the program prerequisites, requirements to apply and the application worksheet.

- **Required Documents:** Please obtain copies of the following documents:

Official Electronic Transcripts (e-transcripts) from ALL colleges attended, except Foothill and De Anza Colleges. See *Transcripts* instructions below.

- **Additional Documents:** You are welcome to include the following documents, if they apply to you, or you would like to include them with your application.
  - **Approved** petitions (required if applicable)
  - Math Placement results
  - Documentation of completion of CSU or IGETC General education
  - BLS Card copy

## ***Transcripts***

Due to the transition of our application system, if you are a previous applicant you must submit all new official electronic transcripts to Foothill College Admissions and Records.

Official Foothill College and/or De Anza College transcripts are not required. If you have prerequisite coursework completed from Foothill College or De Anza College you must enter the coursework where appropriate on the application. We can verify your successful completion of that coursework internally.

You should obtain your College Transcripts by requesting a copy from all the Colleges you've attended. Typically, registrar offices or registration departments at the corresponding college will assist you with this. Please note that unofficial copies will not be accepted and may automatically disqualify you. For the 2020 application, you must request that electronic transcripts or e-transcripts be sent to Foothill College Admissions and Records at [fhtranscripts@fhda.edu](mailto:fhtranscripts@fhda.edu). If your school doesn't offer this option, please send hard copies to:

Admissions and Records  
**DMS 2020**  
Foothill College  
12345 El Monte Road  
Los Altos Hills, CA 94022

Remember that if you received an Associate's Degree from a California Community College and/or Bachelor's degree from a UC or CSU, completion of your General Education requirements will be waived.

If you cannot obtain any of the required documents, please be prepared to provide a letter of explanation, which will be attached to your application.

Please see our Sample Diagnostic Medical Sonography Program Application. This sample looks very similar to the actual application. As a result, you may use it as an example of the information you will be submitting when you apply. Feel free to fill it out!

## Scanning and Saving Required and Optional Documents

- Please save the required documents (listed above) to the computer you intend to use, when applying. We recommend that you put together a file with all of these documents, so that they can be easily accessed while you're completing your application. Please note that you will only be allowed one file attachment for each required section. As a result, your college transcripts, for example, must all be uploaded as one file. For assistance on how to scan documents into one file, combine multiple files into one file, save files into one folder, or other alternative options, please visit the Foothill College's ASFC Smart Shop:
