Study Purpose

The California Community Colleges are partnering with the California Department of Social Services (CDSS) to extend the Community College Immigration Legal Services program, which provides legal services to undocumented college students, faculty, and staff. It started in 2018.

The 2020-21 state budget provided $10 million to expand the program over the next year to more California community colleges. CDSS is partnering with the Chancellor’s Office and the Foundation for this program expansion.
Methodology

To inform message development targeting the CCC undocumented community, the Student Centered Design Lab conducted an online survey to better understand this subsection of the CCC population.

- 7 closed-ended questions
- 6 open-ended questions
Participant Overview

The online survey was live from May 20, 2021 through June 6, 2021.

- East Los Angeles College = 31 participants
- Saddleback College = 17 participants
- Santa Ana College = 13 participants
- Santa Rosa Junior College = 13 participants
