Congratulations Class of 2024

Dear EOPS Students

Congratulations on reaching this end of your academic journey. It is the time of year that we are excited to place you at the center to celebrate this huge accomplishment. All the challenges you have overcome, and the successes are a testament to the fabric from which you are made. This fabric is woven with perseverance, courage, and determination formed by your DNA and those who have supported and laid a path for you along the way. We hope EOPS has contributed a thread to this metaphorical cloth.

Your inherited tenacity has been passed down through generations and your community of support has provided you with the ability to remain steady and consistent, giving fuel for you to rise above obstacles that you will take wherever you go. Each of you carries this legacy that now shines brightly in your achievements.

As you move forward, remember that this fabric, made up of your experiences and the support of those who believe in you and even those who believed in you before you were you, will continue to provide strength and resilience. Embrace this unique part of who you are, and let it guide you as you take the next step on this journey called life. EOPS is honored to be a small part of your developing legacy.

Today we share a toast in community, celebrating YOU as you continue to reach your educational and career goals! On behalf of the EOPS family, we congratulate you and all that you have accomplished. Please settle in and enjoy this moment in time! With a great big hug, we congratulate the EOPS Class of 2024! We see you!
