

Foothill Guided Pathways Initiative Update to Academic Senate
February 3, 2021
Prepared by Isaac Escoto, G.P. Lead Facilitator

Updates offered by G.P. Teams (for more information, please consult the [G.P Website](#))

Program Mapping:

- Program Mapping Team/Working Group meeting is scheduled for Wed Feb 10th from 3:30-5pm. Invites have been sent out through outlook
- Creating videos to explain to faculty what mapping is and why it's needed.
- Currently planning a program mapping day.
- Editing map templates.
- Ongoing counselor mapping norming meetings.
- Developing a career counseling team lead to support the Program Mapping Team/Working Group.
- Held two Program Mapper demonstrations (Jan 11th and 15th), in efforts to learn whether this program would assist in student-facing program maps.
- Created and have begun sending out a survey to CCCs that have implemented Program Mapper to gauge user responses (ongoing).
- Scheduled a meeting (Feb 10th) with the creator of Program Mapper to better understand the time and financial commitment it will take to import data and make annual revisions as needed.
- Comparing the career exploration and labor market information of CCCs that have adopted Guided Pathways (ongoing).
- Met with the regional GP coordinator (Jan 26th) to discuss how to incorporate regional Labor Market Information on program maps or in other easily accessible places for students.
- Attended BACCC meeting (Jan 27th) to better understand their commitment to including regional LMI.
- Met with WestEd (Feb 2nd) for a demonstration on including regional LMI for Meta Majors.

Communication Team

- Conducted interviews for new faculty co-lead. **Amy Leonard** was selected and is our new co-lead!
- Will start Comm Team/Working Group recruitment in 1-2 weeks, so as to allow for the new iteration of the comm co-lead team to get settled.
- Putting together GP presentation through Prezi for President's Update on February 8th.
- Exploring options for campus-wide dissemination of information/updates.

Data and Tech Teams

Data Team

- Down in staffing (2).
- Updated assignments: program mapping (Elaine Kuo), Onboarding (Chris Chavez), Communication (Doreen Finkelstein).
- Invite data advisor to GP team meetings.
- Data requests (review of previously proposed data).

Tech Team

- Landscape analysis- Tech team to work with consultant Scott Cline on how to explain the current technological platforms available and “What Could Be.”
- General meeting to be held by mid-late February.
- GP leadership teams to identify tech needs and wants to help their team advance it’s goals.

Onboarding

- Outreach emailed Dokesha the dates of upcoming application and orientation workshops for onboarding team to join and shadow the process.
- Onboarding team to start sitting in on the Thursday ‘Ask Outreach’ Zoom sessions to hear what kinds of questions are being asked by prospective students and families.
- Have a timeline for update of Online Orientation.
- Meeting twice a week with Online Learning team.
- Onboarding collective/working group met Friday, Jan 29th and will meet once every three weeks.
- Data review and creation of first module for Online Orientation in the works.
- Met with Anthony Cervantes and Vanessa Smith about a welcome webpage as a temporary option until an email platform can be further researched.
- Currently researching otters CCC onboarding processes (application, assessment, modes of communication with students, etc).
- Came up with a template of questions to survey programs/departments about their current onboarding practices and progress. Will be sending it out at the end of the week.
