Minutes

1. Minutes from 9/30 meeting reviewed. Motion to pass by Jerry, 2nd by Andre. No Discussion. All approved. Minutes passed.
2. Classified On-boarding: Andre will be stepping in for Josh. Mike suggested that we develop on boarding as a project for this year. De Anza has a Classified Welcome Committee. Maybe copy what DA CS has to begin with: campus tour with a “cheat sheet”. Create a study group to set up on boarding. We need to check out DA on boarding process. Jackie Brown volunteered to lead and contact DA.
3. Governance Updates: Josh presented update on R&R, \$20-40k approved for study on leasing FH tennis court area for student housing, also possible DA flint center use for faculty and staff housing. Andre suggested sites be reversed as Flint footprint is larger and would accommodate the large number of students needing housing.
4. Program Review: half assigned. Office of Instruction will provide training. Training Nov 22nd, then nothing to do until March. Earns 25 PGA hours. Alejandro Favela volunteered for Spanish; Jerry Robredo for Theatre Arts; Josh Pelletier for Geospatial Tech.
5. Professional Development: District Classified Day is May 15th. Agenda is breakfast, 2 morning group activities, lunch then 2 afternoon activities. What is the goal of PD Day? Break down silos, meet other CS folks. Include student participation somehow.
6. Other Business: none.
7. Next Meeting: Tuesday, Nov 12th at 1pm-230pm in the Altos room

Meeting adjourned at 11:30 by Mike.
