- Native American Heritage Month

Please join ASFC in celebrating Native American Heritage Month, while there are only a few events this year, they will have a large focus on student engagement, so if we could please get the word out to the student body about these wonderful events that would be great. We have included a copy of the flyer, that we would really appreciate if it could be blasted through any communication platforms.

- ASFC Thanksgiving Event

ASFC will be hosting a virtual thanksgiving this year to celebrate all the positives that our community was able to find this year, please keep your calendars free for college hour on November 25th and be sure to check out the ASFC page for more information coming out soon!
