

Board policy draft

Should a military affiliated student be registered in a term that they are 1) called to active duty or 2) required to attend training that is longer than 30 days, the district will support the student returning to their educational path without fiscal or academic penalty.

- 1) The student will be eligible for a Military Withdrawal (MW) to be entered on the transcript
- 2) The student will have catalog rights upon a return to the college after completing the military assignment
- 3) The student will be eligible to petition for a full refund of any tuition and fees collected
