Showers are good because it changes the perspective because many homeless students have jobs and need to be clean for the job. Food is a little more accessible. Clean clothes is an issue. Clothes closet would be great in this area because the quality of clothing is much better and last longer. Catholic Charities is a great partnership, alone with Bill Wilson. This study group would be form if the parcel tax and bond does not pass. Looking for someone to chair the study group and hoping students would join the study group.</p>
