

Graduation Day Instructions

Congratulations, graduates! Here is some information you will need to do on the day of commencement. Let's make this day smooth and memorable for everyone.

- **Check-in.** Check-in will be at the **Campus Center Plaza from 8:45 to 9 a.m.** If you come with family and friends, please have them go straight to the library quad and find some seats. Seats will be first come, first serve.
- **Lining Up: Between 9 and 9:30, students will go upstairs to the dining hall,** where you will line up **by your degree division.** If you don't know which division to line up in, don't worry! The check-in employees will help you, and we have signs posted. Additionally, there will be staff in the dining hall to assist.
- **At 9:45, we will start walking to the library quad** where the commencement ceremony will begin promptly at 10 a.m.

Here are some important things to remember:

1. Be ready by having your regalia on.
2. Leave purses and backpacks at home, as you will not be able to carry anything large with you. Small purses that fit under your regalia are okay.
3. Wear comfortable shoes.
4. Please ask your families to leave balloons at home or in the car. If they block anyone's view, they will be asked to move them to the car.
5. Remind your families to bring their own water.
6. For those needing accessible parking, it will be available in parking lot 5.

We're all set for a fantastic graduation day! Once again, congratulations, graduates! See you on commencement day!
