LAND ACKNOWLEDGEMENT

Horše túuxi! (Hor-sheh troo-hee)

Foothill College recognizes that it is located on the ethnohistoric territory of the ancestral and traditional land of the Puichon Thámien Ohlone-speaking People, and the successors of the historic sovereign Verona Band of Alameda County, presently identified as the Muwekma Ohlone Tribe of the San Francisco Bay Area. This land was and continues to be of great importance to the Muwekma Ohlone Tribe and other familial descendants of the Verona Band.

We recognize that every member of the greater Foothill College/Los Altos Hills community has, and continues to benefit from, the use and occupation of this land, since the institution's founding in 1957. Consistent with our values of community, equity-mindedness, and transparency, we have a responsibility to acknowledge and make known through various enterprises Foothill College's relationship to Native peoples. As members of the Foothill College/Los Altos Hills community, it is vitally important that we not only recognize the history of the land on which we live, work, and learn, but also, we recognize that the previously federally recognized Muwekma Ohlone Tribal People are alive and flourishing members of the Foothill College/Los Altos Hills and broader Bay Area communities today. Aho!

PROGRAM

WELCOME by Kristina Whalen, Ph. D.

“The Star-Spangled Banner” by April Henderson, M. Ed.
Composed by Francis Scott Key

“Lift Ev’ry Voice and Sing” by April Henderson, M. Ed.
Written by James Weldon Johnson, Music by John Rosamond Johnson

COMMENCEMENT ADDRESSES

Class of 2026 Student Speaker: Madellyn Hill
Faculty Speaker: Robert Hartwell, Ed. D

CERTIFICATION OF THE CLASS OF 2026: Voltaire Villanueva, Ed. D.

CONFERRING OF DEGREES: Kristina Whalen, Ph. D.

PRESENTATION OF GRADUATES

Apprenticeship Programs: Chris Allen, M. A. , M. S.

Business & Social Sciences: Aaron Korngiebel, M. A.

Fine Arts & Communication: Ron Herman, M. F. A.

Health Sciences & Horticulture: Cheung, M. P. A.

Kinesiology & Athletics: Mike Teijeiro, M. A.

Language Arts & Ethnic Studies: Amber La Piana, Ph. D.

Science, Technology, Engineering & Mathematics: Zachary Cembellin, M. S.

CLOSING: Kristina Whalen, Ph. D.

THE STAR-SPANGLED BANNER

O say can you see by the dawn's
early light,
What so proudly we hailed at the
twilight's last gleaming,
Whose broad stripes and bright stars
through the perilous fight,
O'er the ramparts we watched, were so
gallantly streaming?
And the rockets' red glare, the bombs
bursting in air,
Gave proof through the night that our
flag was still there;
O say does that star-spangled banner
yet wave,
O'er the land of the free and the home
of the brave.
Composed by Francis Scott Key

LIFT EV'RY VOICE AND SING

Lift ev'ry voice and sing
'Til earth and heaven ring
Ring with the harmonies of Liberty
Let our rejoicing rise
High as the list'ning skies
Let it resound loud as the rolling sea
Sing a song full of the faith that the dark
past has taught us
Sing a song full of the hope that the
present has brought us
Facing the rising sun of our new
day begun
Let us march on 'til victory is won
Written by James Weldon Johnson
Music by John Rosamond Johnson

ALMA MATER

Oh, Foothill we raise our voices
in praise
For all of the joys we've known.
Your scarlet and black will welcome
us back,
No matter how far we may roam.
By the bay and the blue of
Pacific's shore
Lies the campus we'll love forever more.
Oh, college so fair, there's none
can compare
With you, alma mater we love.
Music and lyrics originally composed by
Foothill College instructors Fred Warren and
Melvin Applebaum

SPEAKERS

MADELLYN HILL

Student Speaker

My college journey reflects resilience, perseverance, and lifelong growth. After balancing work, motherhood, and personal challenges, I returned to education believing growth has no timeline.

Working in education strengthened my passion for advocacy, service, and supporting students and families through challenges. As an entrepreneur and community-minded leader, I strive to help others recognize their potential through perseverance and self-belief.

As I graduate, I hope my story reminds others that success is not always a straight path, but the courage to keep moving forward. After graduation, I plan to earn my bachelor's and master's degrees so I can continue expanding my impact and supporting others on similar journeys.

ROBERT HARTWELL, Ed.D.

Faculty Speaker

Robert Hartwell, Ed. D. holds a doctorate in music education from Columbia University, and during

his 30 years as music instructor at Foothill College, has specialized in welcoming the uninitiated into the world of music. He is also a staff lecturer at the Institute for the Study of Western Civilization, and a pre-performance speaker for the San Francisco Opera. Keenly interested in issues of teaching and learning, he serves on the board of directors for the K. Patricia Cross Academy, an online resource for college professors.

Robert Hartwell, Ed. D. has co-authored a three-volume series on the history of Western music, as well as contributing to The Quarterly Journal of the Bach Institute and the New Pedagogies in Higher Education series. A product of the California community college system, he is wholly committed to its egalitarian mission.

9

THE BACHELOR OF SCIENCE DEGREE

In 2015, Foothill was one of 15 California community colleges selected to offer a baccalaureate program. Students acquire the necessary skills, knowledge and practice in their field for a fraction of the cost of a four-year university or college. Foothill's Health Sciences programs have received accolades from the California Community College Chancellor's Office for the attainment of post-college outcomes in employment, earnings gains and regional living wages. Students may enter the job market immediately or choose to pursue a graduate degree upon completing board exams and licensing requirements. Foothill offers Bachelor of Science degrees in Dental Hygiene and Respiratory Care.

THE ASSOCIATE DEGREE

Earning the associate degree represents more than an accumulation of units. It symbolizes the successful completion of established patterns of learning designed to develop capabilities and insights. Among these are the ability to think and communicate clearly; use mathematics; understand the modes of inquiry of major disciplines; be aware of other cultures, eras and places; gain insight into ethical problems; and develop self-understanding. In addition to all these, the student focuses on

one field of knowledge in sufficient depth to contribute to lifetime interest. Additionally, the associate degree for transfer guarantees the student admission with junior standing to the California State University system.

ACHIEVEMENT AWARDS

The President's Medal is awarded at the annual commencement ceremony to first-time degree recipients with a 4.0 GPA in all college coursework, including 60 resident units at Foothill.

Honors Scholars have completed a minimum of seven honors courses or 23 units of rigorous courses through the Foothill College Honors Institute.

Dean's Award recipients wear a gold cord and have achieved a cumulative grade-point average of 3.5–4.0 at Foothill College.

2025–2026 PRESIDENT'S MEDAL RECIPIENTS

SCHOLARSHIPS

Foothill-De Anza offers a wide range of need- and merit-based scholarships for both part-time and full-time students across most academic disciplines—providing crucial financial support that students never have to repay. These scholarships help cover essential school-related expenses and are available through a free and accessible application process.

This vital support would not be possible without the generosity of our donors. Through their contributions, the Foothill-De Anza Foundation has raised millions of dollars in charitable funding that enriches our colleges in countless ways—from supplies and stipends to internships and scholarships. These investments directly impact the academic journey of thousands of students each year, helping them thrive while ensuring Foothill College continues to uphold our core commitment to open access for all.

Today, we honor not only our student recipients, whose hard work and determination inspire us, but also our donors, whose unwavering support helps make their success possible.

For a complete list of 2025-2026 scholarships and recipients, visit foothill.edu/financial-aid/programs/scholarships.html.

ACADEMIC REGALIA

In the 12th and 13th centuries, when universities were under the jurisdiction of the church, students wore habits, or cloaks with hoods, which were designed to provide warmth in unheated buildings. The more colorful modern academic costume originated at England's Oxford and Cambridge universities in the 1300s, and has been used continuously in the U. S. since colonial days.

The Mortarboard

The mortarboard represents no particular degree or school, except that the short, gold tassel is worn only by holders of the doctorate degree. The tassel may be worn on either side of the cap.

The Gown

The gown itself is usually black for all holders of baccalaureate or higher degrees. Bachelor's and master's degrees styles differ little, but doctorate gowns are faced with velvet panels and velvet bars on the sleeves.

The Hood

Only the hood itself shows by its length and colors the distinction among degrees, academic majors, and colleges or universities that conferred the degrees. The higher the degree, the longer the hood and the wider the velvet facing that outlines the hood. The color of the velvet facing denotes the academic area in which the degree was awarded. The colors of the satin lining in the hood are the colors of the school where the degree was awarded (e. g. , Stanford University colors are cardinal and white; University of California, Berkeley, colors are blue and gold).

Field Colors

Field colors that symbolize academic areas of study areas follows:

- Arts, Letters & Humanities White
- Business Light Brown
- Dentistry Lilac

Drama	Brown
Economics	Copper
Education & Counseling	Light Blue
Engineering	Orange
Fine Arts	Brown
Journalism	Crimson
Law	Purple
Library Science	Lemon
Mathematics & Physics	Gold
Medicine	Kelly Green
Music	Pink
Nursing	Apricot
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock
Science	Gold
Social Science	Citron
Speech	Silver
Veterinary Science	Gray

A LEGACY OF INNOVATION

In 1957, founding Superintendent Dr. Calvin C. Flint surveyed the 122-acre site destined to become one of the nation's leading community colleges. He envisioned a campus dedicated to fostering innovation, access, and academic excellence. As Foothill College celebrates its 66th annual Commencement Ceremony, the college proudly renews its commitment to that enduring legacy.

From a first graduating class of just 37 students in 1960, Foothill has grown to serve over 11000 students each quarter. For the third consecutive year, Foothill College has been ranked the #1 community college in California (and #1 nationally for the second year in a row) and continues to be recognized as a leader in university transfer, career education, and student success.* This recognition reflects the extraordinary work of our faculty and staff and the talent, perseverance, and ambition of the students we celebrate today.

This year, we proudly celebrate our ninth cohort of students earning a Bachelor of Science degree in Dental Hygiene. Foothill also continues to expand access to advanced workforce education with our second baccalaureate program, in Respiratory Therapy, and the college

was recently awarded a third baccalaureate program, in Construction Trades Management, making Foothill College one of only two California Community Colleges to offer three baccalaureate degrees. These programs reflect Foothill's longstanding commitment to providing innovative, affordable pathways to high-demand careers and strengthening our local communities.

Foothill College also continues to build on its tradition of creativity and innovation through campuswide events and partnerships that bring students, employees, and community members together to exchange ideas and imagine new possibilities. This year, we celebrated distinguished alumni, representing excellence in fields as diverse as medicine, the law, athletics, and business, at our first Alumni Hall of Fame ceremony and a Foothill alumnus was recently awarded a Nobel Prize in medicine!

From the classroom to the stage, the lab, and the community, Foothill remains a place where curiosity is encouraged, ideas are tested, and students are empowered to lead and make an impact. Founded on the principle of educational opportunity for all, Foothill College provides an exceptional education grounded in equity, inclusion, and student support. Innovation, excellence, and empathy remain at the heart of our academic programs and student services. These values continue to guide us as we honor our history and celebrate a future filled with promise and possibility for every student who crosses the commencement stage today.
