FOOTHILL COLLEGE

GP at Foothill

Mission Statement:

The mission of GP is for all parts of the campus community to work together to be student ready by removing structural barriers to learning. We aim to create clear pathways within an equitable system, that includes ample, ongoing support for each student to engage from connection, to entry, through progress, to completion. We recognize the strengths and diverse experiences our students bring to the college and we aim to support their growth as global citizens.

FOOTHILL COLLEGE

Loss/Momentum Framework

Loss/Momentum Framework

This framework supports educators in designing every step of the student?s pathway with the end goal in mind—completion.

Connection
From Interest in college enrollment to application

Entry
Enrollment to completion of first college-level course

Progress
Entry into program of study to 75% of requirement completion

Completion
Complete program of study to credential with labor market value

- Each GP team is working on each part of this Framework
  - Onboarding = Connection/Entry
  - Program Mapping = Progress/Completion

- Communications will focus on marketing our GP efforts to keep campus informed

Tech Team Action Plan

- Take what Scott just walked us through and operationalize it
  - How do we use this to be a more efficient institution
  - How do we use this info to enhance the student experience

FOOTHILL COLLEGE

The Ask

- What do we need from Tech Advisors?

- In order for students to succeed, we need more integration between Instruction and Student Services

- We need to identify what tech barriers exist in our institutions

- Help support other GP teams to achieve their goals

- Next Meeting
