

Welcome to Foothill College!

One of the first steps to matriculation at Foothill College is completing our English and/or math assessments. Below you will find all the necessary information to successfully complete your English and/or math assessments.

English Assessment

Please read the following options carefully and choose one option to complete your English assessment:

- **Option # 1:** If you attended high school here in the United States or have foreign high school transcripts that use the **U.S. 4.0 GPA standard** and you have access to your transcripts, please email us a PDF copy of your unofficial high school transcripts along with the following information to fhtesting@fhda.edu:
 1. *Your CWID number*
 2. *Indicate that you are part of our International Student Program in the Subject area*
Once this process is complete you will be placed into English 1A according to your overall GPA.
- **Option #2:** If you have already completed English 1A, *or the equivalent*, at an accredited U.S. college or university OR have an College Board AP score of a 3, or higher, in English, please contact a Foothill College counselor to submit a prerequisite clearance request. You may be able to bypass English 1A:

Once this process is complete, you will be notified by email the status of your prerequisite request.
- **Option #3:** If you do not meet the requirements for **Option 1 or 2**, then you are eligible to complete our Language Arts Guided-Self Placement assessment (LAGSP).
Please go to page 3 for instructions.

MATH ASSESSMENT

Please read the following options carefully and choose one option to complete your Math assessment:

- **Option # 1:** If you attended high school here in the United States or have foreign high school transcripts that use the **U.S. 4.0 GPA standard** and you have access to your transcripts, please email a PDF copy of your unofficial high school transcripts along with the following information to fhtesting@fhda.edu:

1. *Your CWID number*
2. *Indicate that you are part of our International Student Program in the Subject area*
Once this process is complete you will be placed into math according to your overall GPA and the highest-level math course completed with a C or better.

- **Option #2:** If you have already completed college-level mathematics at an accredited U.S. college or university OR have a College Board AP score of a 3, or higher, in AP Calculus, please contact a Foothill College counselor to submit a prerequisite clearance request. You may be able to bypass the math assessment and/or place into higher-level mathematics:

<https://foothill.edu/counseling/counselappt.html>.

Once this process is complete, you will be notified by email the status of your prerequisite request.

- **Option #3:** If you do not meet the requirements for **Option 1 or 2**, then you are eligible to complete our Guided-Self Placement assessment for math.

Please carefully read the instructions before you begin the Math GSP. Once you have completed the guided self-placement, please email us the following information to fhtesting@fhda.edu:

1. *Your math selection*
2. *Your CWID number*
3. *Indicate that you are part of our International Student Program in the Subject area*
