

The Parliament

FOOTHILL COLLEGE FACULTY & STAFF NEWSLETTER | FALL QUARTER

Welcome to Fall Quarter!

Dear Colleagues,

Welcome to the first Parliament of the 2020-21 academic year. You'll notice that this is a 'new and improved' Parliament with updated graphics and a new format. We do our best to capture everything that is happening around campus, but we cannot do this without your help. Do you have an event to promote? Have you or a colleague been recognized by a professional organization or are you presenting at a conference? Please let us know! In addition to news items, you will find updates on [shared governance](#) with regular reports from the Councils.

Today, our students reminded us that empathy, flexibility, and love are at the very root of equity. There will be challenges ahead, but as long as we center our values of honesty, integrity, trust, openness, transparency, forgiveness, and sustainability, there is nothing we cannot achieve as we work together to create a community college where student success is not predictable by race.

The Parliament wishes you a fantastic year!
