FOOTHILL COLLEGE FACULTY & STAFF NEWSLETTER | FALL QUARTER

Week 1: September 25, 2020

Dear Colleagues,

The Parliament hopes that the first week of fall has been exciting and inspiring. While we all miss being on campus, everyone is still performing the same role they did last year at this time; we are answering questions, helping students find open classes, and generally easing any anxieties our students might have about the start of a new academic year. Thank you to everyone for the great work you do!

Thank you also to our students for a phenomenal two-hour training on [Opening Day](#). Their presentation reminded us that our institution is on the right track as we focus to "obtain equity in achievement of student outcomes for all California student populations."

Please remember to let us know if you have an item for the Parliament so we can keep the campus community informed.
