May 7, 2021

Dear Colleagues,

The Parliament encourages you to check out our annual Day on the Hill recruitment and community event tomorrow at 9 a.m. There will be an opening session where former and current students will talk about why they chose Foothill and how the college prepared them for future success, plus three breakout sessions from 10 a.m.-12 p.m. covering everything from transfer to athletics. Tell a friend or two as well!

As noted last week, our student-athletes are back on campus. The gradual return to campus that started with Allied Health last May is picking up pace and we'll see more students back in the classroom this summer and more again in the fall. Remember to keep an eye on the Return to Campus page for updates.

The last installment of our COVID-19 Vaccine Education series is scheduled for Monday at 4 p.m. Dr. Elsa Villarino will be talking about how we can discuss vaccination in a culturally competent manner. The three previous webinars are archived here and are well worth watching.

The Parliament wishes you all a relaxing weekend!
