Wishing everyone a good/restful/enjoyable spring break for those of you who can get away! When the spring quarter begins we will start with two professional development days, April 4<sup>th</sup> being a District day and focused on health and wellness and April 5<sup>th</sup> is our Foothill day which the Flex Day Committee has taken considerable time in planning. It will be a productive two days and not the usual "work" day!

I look forward to seeing you and finally, meeting as many of you as possible.
