Subject: Call for longevity recipients and event reminder for all faculty, staff, administrators

Our **End of The Year Celebration** and lunch will be held **June 15 at Noon** in the Campus Center Plaza. As part of that celebration, we are resurrecting a previous college tradition which is honoring Foothill full-time employees for their years of service with the College, along with our new retirees.

We are inviting you to come forward and receive your award if you find yourself eligible! Awards will be given for **7, 15, 25 and 35 years of service as of June 2022**. Simply calculate the years from your full-time hire date to June 2022. *We normally would have gotten a list of employees by hire date from HR but have not been able to, so we asking you to identify yourselves on the "honor system!"*

Please RSVP to this request, by return email, as soon as possible, with your full name and your date of hire and the milestone year award you think you have earned. And I will see you on the 15th!

Thank you so much!

P.S. This is not to neglect our longtime and dedicated part time faculty, and we will honor them in the fall.

Best regards,
Bernadine

Bernadine Chuck Fong, Ph.D.
Acting President, Foothill College
Senior Scholar and Director of Leadership Initiatives, Stanford University
