Yes, this is an actual photo of snow at Foothill, minus the lights. Another part of our ***Back to the Future*** theme. And we want to let everyone know that plans are underway for a festival of lights, cultural celebrations, and cheer. Block out the **noontime** hour on **Dec. 7<sup>th</sup>, Wed.** to join us in **Building 1900** to

celebrate **Hanukkah (begins 12/18), Winter Solstice (Dec. 21), Christmas (12/25), and Kwanzaa (begins 12/26)**. Learn about these different cultural celebrations and join in them. And the one who can guess the date when it snowed at Foothill will win a mystery prize!

Best regards,

*Bernadine*
