

Subject: FRIDAY NOTICE: Shelter-in -place, please

Date: Friday, March 10, 2023 at 12:34:28 AM Pacific Standard Time

From: Bernadine Fong <fongbernadine@fhda.edu>

To: foothill <foothill@fhda.edu>

Priority: High

We are going to close the Foothill main campus for Friday, as well, because of the prospect of falling trees, flooding, and our campus Internet and telephone systems (in Building 1900) may have to be shut down if the power outage persists. If a network shutdown is required, all campus internet and phones will be out of service until it can be restored, which could take some time. Because of this uncertainty, I think it is best to close the campus. However, you will still have access to email and calendars if you are using a different internet connection (off campus). Our website will remain functional and we will try to keep it up to date. Again, please check in with your supervisor about your plans for the day.

The Sunnyvale Center is not affected, so it will remain open.

Everyone, please stay safe.

Best regards,

Bernadine
