

President's Communiqué

FROM THE DESK OF THUY THI NGUYEN

A Day in the Life of ...

Greetings Foothill,

Last week was so much fun, meeting students at the Wednesday/Thursday Club Day events. Here are some pictures:

AND ... Clubs that did not exist when I was in college.

If you follow me on Twitter (@FoothillPrez), you may notice a couple of these photos.

The Marketing department wants me to enter into the world of Instagram, so I will be “instagramming” all day this Wednesday: “A Day in the Life of President Nguyen”. Wonder if PaRC will let me snap a picture of them. It is not the life of a president without a meeting or more.

And what a day it will be, with **Transfer Day**. Let’s help **Cleve Freeman** and his transfer team further promote a culture of transfer: wear something from your alma mater(s) on Transfer Day. Also post a sign on your classroom door/office cubicle with your degree/major and college/university.

We are out of “The first” buttons and only 3 more magnets – (that’s 100 buttons & 100 magnets)! By popular demand, we will order more.

Wear your button on Transfer Day.

Besides Transfer Day, I’m also particularly excited about Wednesday as I learned during Club Day that one of our student clubs, *Fund the Future Club* with Faculty

Advisor **Brian Evans**, will sell my favorite drink, boba milk tea. The Club is fundraising for a global women microcredit loans and education for kids.

Thank you for all those who emailed me after the last Communiqué about faculty/staff engagement in after-hour activities! Update, ASFC will try to show the Presidential Debate for evening students on Wednesday, though it will not be a formal activity for the organization. I want to take this opportunity to thank ASFC for incredible programming these past four weeks!

Of Service,

Thuy Thi Nguyen
