Call for Proposals Due March 23, 2015

Presentations should help practitioners lead student-focused improvement efforts in one of the following topical strands:

- Supporting Strong Transitions & Creating Clear Pathways
- Implementing Student Success Plans
- ★ Assessment, Placement & Alignment
- Transforming the Pre-Collegiate Experience
- Capitalizing on Affective Strengths
- Enhancing Learning through Technology
- Linking Accountability and Transformational Change
- Professional Learning: Building Cultures of Improvement
- Leading from the Middle
- Civic Engagement & Social Justice
- Applied Learning Lab: Hands-On Opportunities to Experience Pedagogy

You will find an easy-to-use online proposal application form, detailed information about strand topics and developing a successful proposal, as well as more information about the event, [here](#).

Strengthening Student Success

Looking Back,
Looking Forward
