

Foothill College has supportive services designed to help you earn a degree or transfer to a four-year university. In a Learning Community, you take classes with other cohort members and work with a team of instructors and counselors to improve your reading, writing, and critical thinking skills. Our bridge programs are an opportunity for you to master key math and English concepts. So why wait? Start your journey at Foothill College.

# First Year Experience (FYE)

FYE connects first year students to a community of first year-friendly courses and faculty who will serve as partners in helping FYE students build their academic foundation and make a successful transition to Foothill. Application required.
