Los Altos Hills, CA 94022

Dear President Miner:

The Committee on Substantive Change of the Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges met May 7, 2015 to review the Substantive Change Proposal from Foothill College for a Bachelor of Science in Dental Hygiene.

The Committee acted to approve the proposal. The baccalaureate degree program will require a site visit within six months of the start of the program. Two evaluators will accompany the ACCJC staff when conducting the site visit. Please contact me to schedule the visit.

On behalf of the Commission, I wish to express continuing interest in the institution's educational programs and services. It remains the College's responsibility to inform the Commission of any program change. Professional self-regulation is the most effective means of assuring academic integrity, effectiveness and institutional quality.

Sincerely,

A handwritten signature in cursive script that reads "Susan B. Clifford".
