- (2) agreeing that the district governing board, or such representatives as it may designate, and the representatives of the academic senate shall have the obligation to reach mutual agreement by written resolution, regulation, or policy of the governing board effectuating such recommendations" in areas of Title 5 § 53200 (c), including education program development, curriculum, program review, and other academic areas; and

Whereas, In the April 15, 2011, CTIS division meeting, the administration unilaterally announced plans for suspension and/or discontinuance of several programs in that division without consultation with or involvement by the Academic Senate;
