Category: Emergency FTEF Hire for 2012-2013

| | | |
|-------------------|-------------------------|---|
| Priority 1 | Position: | Chemistry Faculty |
| | Brief rationale: | One of the FT Chemistry faculty has reassigned as of 1 July to be with her husband in the military. This will reduce the FT staff to 32%. A new FT Chemistry Faculty is required to continue the year-over-year 9% growth rate as well as the excellent level of education provided the FH students. Chemistry's WSCH grew 10% in 13W while FH enrollment is declining. |
