

Cooperative Work Experience

The Cooperative Work Experience (CWE) program is designed to relate your college experience to your career goals. This course will allow you to improve your work skills, build your employment portfolio and make you a more marketable candidate toward your future career. Employers are seeking employees who have a strong work ethic, relevant skills and first-hand experience; all critical components to the Cooperative Work Experience course.

Winter 2012 Begins Monday, January 9, 2012

OCCUPATIONAL WORK EXPERIENCE

The course reinforces students to apply academic knowledge and theory gained from college course work to the workplace. The work experience will increase students' awareness of cultural, global, and generational diversity in the work environment in addition to building communication, problem solving, and interpersonal and transferable skills
