 ASSOCIATED STUDENTS OF FOOTHILL COLLEGE

As I wrote in my letter to the students, the world is singularly focused on fighting the Coronavirus and flattening the epidemiology curve. With this contest, we are calling on students to help fight the pandemic and issues associated with it.

Our college is doing its very best to support students as we are all grappling

with this surreal situation. Yet, students are also the very people who could best support each other. This PSA contest puts students in the leadership role. With their talent and leadership voice, students could serve and lead during this historical time in our country, in the world. #ServiceLeadership

Students could submit video, tiktok, YouTube, film, lyrics, music, art piece, etc. in each of the four categories:

- Anti-xenophobia
- Mental health
- Public health
- Virtual learning

See attachment of my letter to the students about the contest, along with the contest flyer by ASFC. Due by April 23. Please let students in your programs, clubs, and classes know about this opportunity for them to win \$500 for their work in each category.

“See” you Monday at 9:30 am!

Of Service,

Thuy
