Annual Program Review Template 2024

Annual Program Review 2024

1. Number of full-time faculty in the program.

1

2. Number of part-time faculty in the program.

11

3. Number of staff in the program.

13

4. Do the above numbers reflect any staffing changes?

We've hired 4 additional part time faculty over the past two years.

5. Refer to the most recent Comprehensive Program Review, what were the identified actions for improvement? Identify any current and/or new Strategic Goals.

Due to staffing challenges we are not at a place to create any new strategic plans. We are hoping to hire two full time instructors this year which will allow us to starting thinking about expanding the program, outreach, etc.

6. What actions identified in the Comprehensive Program Review (or most recent Annual Program Review if no Comprehensive Program Review) have you completed this year?

We haven't been able to complete any action items

7. Explain your implementation timeline and if there have been any changes or updates.

NA

8. Explain the evidence the program used to evaluate progress and provide an update on progress.

NA

9. Click the link and follow the instructions to the Disproportionate Impact dataset, then respond to the prompt below.

Identify the groups that are experiencing a disproportionate impact in the most recent year (highlighted in orange). In the text box below, provide the percentage point gap and the number of additional successes needed to erase the percentage point gap for each group.

For non-instructional programs that do not have program specific disproportionate impact student data, please provide an update on the program's 13-55 project (i.e., project description, students served, implementation timeline).

Male students 88%
Unknown ethnicity 79%
Non Foster Youth 94%

10. Use this opportunity to reflect on your responses in this document. Include your closing thoughts.

Even with the reduction of full time staff we are very proud of how the program is able to support it's students. This past graduating class 100% of our students took the national exam and we had a pass rate of 95%. We are continuing to adapt the program to better support our students and the student population and their needs change.
