GENERAL EDUCATION REQUIREMENTS

All General Education courses must be completed to earn the Associate of Science degree in Radiologic Technology; otherwise the student will not be eligible to sit for the ARRT national certification exam to become licensed. Due to the rigorous course load during the Radiology program, it is **strongly recommended** that all applicants complete their General Education courses prior to applying for/starting the program.

There are 3 ways to satisfy the General Ed. Requirements, check one only:

1. ◯ AA or AS from a California community college (GE waived). **Move on to the next page.**
2. ◯ BA or BS Degree from an accredited U.S. College or University (GE waived). **Move on to the next page.**
3. ◯ You have not completed a college degree, but you have completed the following GE courses:

If you indicated number 3 above, you must fill in the table below with the GE coursework you have completed to date or is in progress. Please provide complete information in each category. See Foothill College Catalog & Radiology Curriculum Sheet for help.

If you indicated numbers 1 or 2 above, leave this area blank and continue on to the next page.
