Required Documents: Please obtain the following documents

Official Electronic Transcripts (e-transcripts) from **ALL** colleges attended. If you have prerequisite coursework completed from Foothill College or De Anza College you must enter the coursework where appropriate on application. We can verify your successful completion of that coursework internally. Official Foothill College and/or De Anza College transcripts are not required.

Additional Documents: Please include the following required documents, if applicable:

- **RT200L Approved** petition
- Documentation of completion of CSU or IGETC General education
- Math Placement Test results

Transcripts.

Due to the transition of our application system, if you are a previous applicant who applied before 2018, you must submit all new official electronic transcripts to Foothill College Admissions and Records. Transcripts from Foothill College and DeAnza College are not required. You should obtain your College Transcripts by requesting a copy from all the Colleges you've attended. Typically, registrar offices or registration departments at the corresponding college will assist you with this. Please note that unofficial copies will not be accepted and may automatically disqualify you. For the 2020 application, you must request that electronic transcripts or e-transcripts be sent to Foothill College Admissions and Records. If your school doesn't offer this option, please send hard copies to:
