

Foothill College Academic Senate  
Academic Integrity Committee

Charge

1. Invite Foothill faculty to share current academic integrity policies and practices;
2. Invite Foothill students, staff, and administrators to share views of academic integrity policies and practices;
3. Seek ideas and guidance by surveying
  - a) efforts of other colleges and universities to foster a culture of academic integrity;
  - b) research literature concerning academic integrity, teaching, and learning; and
  - c) practical effects of local integrity policies;
4. Collaborate with the Associated Students of Foothill College, the Foothill College Classified Senate, and appropriate college administrators to
  - a) articulate shared academic values among students, staff, administrators, and faculty; and
  - b) explore ways to express those shared values widely on campus;
5. Present faculty with professional development opportunities concerning academic integrity;
6. Revise the Foothill College Academic Honor Code as necessary; and
7. Report committee activities to the Academic Senate at least quarterly.
