**Action & Information**

1. **Elections Committee**
As there will be 2 Senate seats vacated this year (Secretary/Treasurer and Part-Time Faculty Representative), the Senate needs to form a Nominating Committee by next meeting. The Nominating Committee is responsible for bringing candidates’ names to the Senate by the end of Winter Quarter.

Generally, the Nominating Committee becomes the Elections Committee, and adds one outside person (administrator or classified staff) to the committee.

Interested Senators should contact Dolores.

2. **Introduction of New VPI**
Judy Miner introduced Katie Merino Townsend to the Senate. After talking a bit about herself and her philosophy of support for teachers, Katie asked Senators to email her with “two things that my office could do to improve my teaching.” Her contact info is as follows:

   townsendmerinokatie@foothill.edu
   x7209

Karen Gillette reminded Katie that teaching goes on outside the classroom and asked that Katie remember those non-classroom faculty needs.

Sara Seyedin praised the Foothill Tutorial Center and hoped that Katie would give it her full support.

3. **De Anza FSA’s**
M/S approval of two new FSA’s for De Anza College: one in Russian and one in Intercollegiate Badminton. Motion approved (3 abstentions).

4. **Mission Statement**
Dolores clarified the process of working on the new mission statement for the college. Various versions of the mission statement will be brought to Roundtable where one version will be developed.

Faculty are encouraged to actively engage in the process. Karen Gillette has some sample mission statements from various colleges around the state. She will send the links to Senators. Senators are asked to poll their constituents for suggestions on what should be included.

5. **Roundtable Updates**
Dolores announced that Judy Miner reported at the last Roundtable meeting that IF there are to be any March 15 notices, the notices would not take effect until July 1, 2010.
Dolores reported that some programs are having trouble and may be combined between the two colleges in the District.

Senators expressed concern that these reports be given by the President to ensure that communication is consistent. Senators also reiterated support for the “rumor control” website proposed last quarter.

To sum up, Dolores reported:

- There will be no hiring for this year
- There will be no lay-offs for administrators and full-time faculty
- There may be March 15 notices with a 15-month lead-time.

Dolores Davison adjourned the meeting at 3:35 pm.
