# DIVERSITY IN TECH

## A TECHCORE PROGRAM

How do issues of race and racism, gender and sexism, and social justice show up in the tech world? Join us in this workshop series as we invite guests from outside Foothill to engage with us in discussion about these and related issues.

## Women of Color in Tech and Storytelling

with Charlene Chambliss, Primer.ai
Sylmarie Dávila-Montero, ECE Michigan State Univ
Carolina Huaranca Mendoza, Lightspeed Venture Partners
