

STEM T-SHIRT DESIGN CONTEST

Welcome to the STEM T-shirt contest being sponsored by the Science Learning Institute and STEM Division at Foothill College! Read before submitting your best work!

Design Guidelines and Specifications *"See STEM. Do STEM. Be STEM."*

- **THEME:** The design must incorporate the theme and slogan for this year:
"See STEM. Do STEM. Be STEM."
 - The slogan may or may not be included on the t-shirt.
 - You can interpret the slogan however you think. Review SLI's mission for ideas. Link below.
 - Keep in mind that this is about STEM (Science, Technology, Engineering, and Math)
- **DESIGN:**
 - Your design can include up to 3 colors.
 - You can choose one of 4 colors for the t-shirt color. **Black, White, Navy Blue, Sport Grey.**
 - Files with example t-shirts in these colors are provided in the Google Drive folder linked below.
- **FOOTHILL LOGO:**
 - You must incorporate the Foothill College logo on the t-shirt. Must use the Foothill College Style Guide for the logo (do not use a version from an internet search).
 - The guide is in the Google Drive folder linked below.
- **T-SHIRT COLOR:**
 - You can check DiscountMugs.com - this is the company we will use for the t-shirt design.
- **OTHER GUIDELINES:**
 - The design must be totally original. You cannot use clip art or any other copyrighted materials as part of your design.
 - Consider the complexity of your design, the more complex design the more it may not show well on a t-shirt.

Timeline & Process

- **DEADLINE FOR ENTRY:** Sunday, April 3, 2022, 11:59 pm
- **VOTING PROCESS**
 - A judging panel will review all submissions and select up to 5 designs to submit for a community-wide vote. The judging panel will consist of the SLI director, the STEM Division Dean, and two to three student participants in SLI programs.
 - The Foothill community will be invited to vote (including students, faculty, and staff) starting Monday, April 4, 2022, through Sunday, April 10, 2022. Individuals can only vote once.
 - We reserve the right to modify this process based on the number of submissions we receive.
 - The judging panel members will not be allowed to submit a design.
- The winner will be announced by the end of Winter quarter.
- The winner will receive a \$150 gift card to one of three choices: Target, Amazon, or a Visa gift card. Additionally, the winner will be able to take home up to 5 free t-shirts for personal use and distribution.

STEM T-SHIRT DESIGN CONTEST

Welcome to the STEM T-shirt contest being sponsored by the Science Learning Institute and STEM Division at Foothill College! Read before submitting your best work!

"See STEM. Do STEM. Be STEM."

Submission

- Make sure your design meets all the guidelines and specifications.
- Fill out this [entry form](#) completely.
- Upload a PDF of the design of the t-shirt using the t-shirt outline provided
- We do not need raw files at this time. If you win, we will ask for the raw file in 300 dpi in any of the suggested formats: high-resolution JPGs, TIFFs, AI, and EPS files.
- You can submit multiple times, up to 5 entries.
- You can submit as an individual or as a team. See more under "Eligibility"

Eligibility

- You must be 18 or older.
- You must be a Foothill student - enrolled in at least one course at Foothill during Winter '22.
- TEAM ENTRIES:
 - Team entries are allowed and may consist of up to five members. If the team wins, the team must split the cash prize amongst themselves. Each winner of the team will receive up to 3 free t-shirts to take home.
- Foothill faculty and staff may participate, but the design team must consist of at least one student.

Other Fine Print

- SLI reserves the right to make modifications to the final design. This may or may not be done in partnership with the winning designer. The goal of any final modifications will be to enable easy transfer to a t-shirt.
