

# *SLI STEM INTERNSHIPS*

SUMMER 2021

## *Chemistry/Biochem Research with SJSU*

Through the Science Learning institute (SLI), Foothill College students will have an opportunity to engage in research with a biochemistry or chemistry faculty member at San Jose State University for a summer internship.

NOTE: summer regulations at SJSU are still being determined which may affect this internship.

Dates: June 28 - August 20, 2021 (8 weeks)

### **Coursework or equivalent experience:**

- Coursework in chemistry. Preference for students who have started/ finished organic chemistry.
- Student transcripts will be reviewed as part of the decision making process.

### **Internship commitment:**

- ITRN 50 series course (tuition covered)
- SLI internship orientation and subsequent check ins with SLI director
- Regular schedule with research internship supervisor for 8 weeks.
- This is an online internship.

### **To apply:**

- Need to be a Foothill College student (more units at Foothill than at DeAnza).
- Social security number required for participation (SJSU requirement).
- Are a full time student (at least 12 units) at time of application and anticipated for spring quarter.
- Priority given to students who demonstrate financial need, are aiming to transfer, and are first time degree earners.
- Application at academicworks: <https://fhda.academicworks.com/opportunities/4572>

Stipend: \$2000, paid in two installments

**Deadline to apply: Sunday, April 25, 2021**
