

SLI STEM INTERNSHIPS

SUMMER 2021

Psych Research with UCSC

Through the Science Learning institute (SLI), up to four Foothill College students will have an opportunity to engage in qualitative research with a UCSC psychology Ph.D. candidate on one of two topics: 1) analyzing attitudes about kink, BDSM, and sexual fetishism expressed in online spaces and 2) analyzing In-depth interviews with erotic hypnosis fetishists. These are sensitive topics, so in order to participate in this research, you should be prepared to be very closely exposed to this content.

Dates: June 28 - August 20, 2021 (8 weeks)

Coursework or equivalent experience:

- Completed coursework in research methods (psychology or sociology)
- Some experience using NVIVO, SPSS, or other software for data analysis is a plus
- Interest in the project
- Equivalent coursework with any of the above would be considered.

Internship commitment:

- ITRN 50 series course (tuition covered)
- SLI internship orientation and subsequent check ins with SLI director
- Regular schedule with research internship supervisor - 20 hours/ week for 8 weeks.
- This is an online internship.

To apply:

- Need to be a Foothill College student (more units at Foothill than at DeAnza).
- Be a full time student (at least 12 units) at time of application and anticipated for spring quarter.
- Priority given to students who demonstrate financial need, are aiming to transfer, and are first time degree earners.
- Application at academicworks: <https://fhda.academicworks.com/opportunities/4568>

Stipend: \$2000, paid in two installments

Deadline to apply: Thursday, April 15, 2021
