

# ***SLI STEM INTERNSHIPS***

SUMMER 2021

## ***Medical Technology Company Internships***

Through the Science Learning institute (SLI), Foothill College students will have an opportunity to intern with a medical technology/ medical device start-up company that is part of the Rosenman Institute on such areas as a digital cardiac rehab program and medical devices focused on prostate health, women's health, and other medical issues.

*See webpage for more details on the companies:  
<https://foothill.edu/sli/internships/rosenman.html>.*

Dates: June 28 start date with varying end dates (11 - 12 weeks)

### **Coursework or equivalent experience:**

- Coursework in engineering, computer science, or graphic design.
- Carefully read intern descriptions to ensure you are qualified for the placement.
- Student transcripts will be reviewed as part of the decision making process.

### **Internship commitment:**

- ITRN 50 series course (tuition covered)
- SLI internship orientation and subsequent check ins with SLI director
- Regular schedule with internship placement company for 11 - 12 weeks, 15 - 20 hours a week.
- Some of these internships are hybrid and some are fully remote.

### **To apply:**

- Need to be a Foothill College student (more units at Foothill than at DeAnza).
- Are a full time student (at least 12 units) at time of application and anticipated for spring quarter.
- Priority given to students who demonstrate financial need, are aiming to transfer, and are first time degree earners.
- Application at academicworks: <https://fhda.academicworks.com/opportunities/4583>
- Intern descriptions for more details: <https://foothill.edu/sli/internships/rosenman.html>

Stipend: range from \$2500 - 3500, paid in two installments

**Deadline to apply: Sunday, May 2, 2021**
