

Opportunities in STEM Newsletter

Welcome to our very last summer newsletter!

We've got a bunch of opportunities to end the summer with!

But first, read about SLI in the news!!

STEM for all: Foothill's SLI aims to even playing field for students

By Karuna Chandran Town Crier Editorial Intern

Foothill's Science Learning Institute students have the opportunity to gain hands-on experience in various STEM fields, no matter their level of previous knowledge.

Community College Internships Program

Application deadline:
October 5th, 2022 at 2:00 PM

This program seeks to encourage community college students to enter technical careers relevant to the DOE mission by providing technical training experiences at the DOE laboratories. Selected students work on technologies or instrumentation projects or major research facilities supporting DOE's mission, under the guidance of laboratory staff scientists or engineers.
