# External Opportunities

Lead the Way: What is AMSA &

Unlock Your Future: Paid

## Unlocking Leadership Success

Fri, October 18  
5:00 - 6:30 PM  
Zoom

**E** Passionate about medicine and leadership? Join Dr. Annelise M. Silva, President of AMSA, for "[Lead the Way](#)," a workshop designed to help you launch your own AMSA PreMed chapter at your college. Learn strategies to become a leader in the medical community and make a lasting impact on campus. Dr. Silva, a health equity advocate and recent med school graduate, will share valuable insights on how to lead and inspire future physicians. Don't miss this opportunity to unlock your leadership potential!

**Stanford | ENGINEERING**

Summer Undergraduate  
Research Fellowship: Info

# Engineering Program

# Session

Applications open December 1  
Deadline January 12, 2025

Tue, November 5  
2:00 - 3:00 PM  
Zoom

[The Sustainability Undergraduate Research in Geoscience and Engineering \(SURGE\) program](#) at Stanford offers an 8-week

mentored research experience for students interested in Earth sciences, energy, ocean sciences, or environmental engineering. Open to undergraduates from any U.S. institution, SURGE also includes training in research and science communication, plus insights into graduate school. The 2025 program runs from June 20 to August 16.

[Apply here](#)

[The Summer Undergraduate Research Fellowship \(SURF\)](#) at Stanford Engineering

offers a fully funded, 8-week summer research experience for 30-35 motivated students from across the globe. SURF provides housing, meals, travel, and a stipend, while helping demystify the graduate admissions process. Fellows participate in research, coding workshops, industry visits, excursions, and a research symposium, all with strong mentorship and grad school preparation.
