External Opportunities

DMU's Post-Bacc Anatomy Program for Future Physicians

Fri, Sep 12
5:00 - 6:30 pm
Zoom

Thinking about med school but need a boost? Join Dr. Muhammad Spocter from Des Moines University as he shares his journey through setbacks and success, and learn how DMU's Master of Science in Anatomy program can strengthen your path. You'll also hear from admissions staff on how to apply, what makes a strong candidate, and how post-bacc programs can open new doors for your future in medicine.

Register

Dive into Science with Stanford Mentors

Application Deadline: Fri, Sep 12
Zoom

Join a [Science Small Group](#) (SSG) this fall and explore your own curiosity-driven science question with guidance from Stanford mentors and support from a small team of peers. You'll learn how to think like a scientist while getting mentorship, networking opportunities, and a potential letter of recommendation. Meets once a week on Zoom with zero homework, just discovery and inspiration.

Medicine with Purpose: A Talk with Dr. Adam Milam

Sat, Sep 13
10:00 - 11:30 am
Zoom

Explore what it means to pursue medicine with intellect, heart, and purpose in this inspiring session with Dr. Adam Milam, a nationally recognized physician, researcher, and health equity advocate. Hear his story from Johns Hopkins to the Mayo Clinic and get practical advice on combining advocacy with academic and clinical success. Come ready to ask questions and gain real-world insights from someone who's walked the path and now leads the way.

ScholarMatch Program for STEM Transfers

Application Deadline: Mon, Sep 15

First-gen STEM students planning to transfer in 2025–26 can apply to the new [ScholarMatch](#) STEM Transfer Program, funded by the Genentech Foundation. You'll be matched with a personal coach for one-on-one help with transfer and financial aid applications, while also gaining access to group workshops and flexible virtual advising. This program is designed to support you during one of the most important stages of your college journey.

Apply

\$30+/hr Math Tutoring Job

Palo Alto

Paid Public Health Internship for Students

Application Deadline: Mon, Sep 22

Interested in public health or a related field? The [California Pathways into Public Health Internship Program](#) offers paid, hands-on experience at local health departments across the state. This 14–15 week internship (offered every fall and spring) is designed for community college and university students, especially those from underrepresented backgrounds, looking to explore a career in government public health.

Apply

Looking for a flexible, high-paying tutoring job? OpMath is hiring college students to tutor K–8 math at their Palo Alto learning center, starting at \$30/hour. Set your own schedule (Mon–Thurs, 3–6 p.m.) and gain experience working with young learners. Perfect for anyone strong in math and passionate about teaching.

Interest Form

NASA Internship Information

Interested in an internship with NASA? Check out their [Internship Webpage](#) for deadlines coming up (Sept 12 for spring internships) as well as a webinar happening tomorrow (Tues, Sept 9) about the internship programs.

Link for Webinar Registration - Tomorrow
9/9/25
