- ❖ **Courses not Taught in Four Years:** The Office of Instruction has shared with Curriculum Reps a list of courses that have not been taught in four years. Per CCC policy, these courses will be deactivated and removed from the catalog. Please consider how these courses are used in our curriculum (ADTs, local degrees, certificates, etc.) and make adjustments accordingly. For more information, please contact your Curriculum Reps.

- ❖ **Course Disciplines:** Each discipline listed on a course drives the minimum qualifications necessary for a faculty member to teach that course. At times, a department might identify a discipline for a course that falls within a different division's purview. CCC is currently discussing the possibility of creating a formal process for such a situation—please contact your CCC Reps to share your thoughts and suggestions.
