- ❖ **Non-transcriptable Certificate Approval Process:** CCC continues discussion regarding the creation of a formal policy and process regarding local approval of non-transcriptable certificate programs, which are not submitted to the state for approval. Further information gathering will also be done involving non-transcriptable certificate faculty “owners.” Do you think such certificates should follow the same process of review and approval as programs that are submitted to the state? Or should a different process be created? Please share any suggestions you have, regarding this topic, with your CCC Reps.

Reminders:

- ❖ **The deadline for 2018-19 approaches!** *Friday, June 23rd* is the deadline for new and updated curriculum, for the 2018-19 catalog year. CORs must be in Instruction/Review1 status in C3MS on or before that date, to ensure review by the curriculum coordinator for 2018-19. Please be aware that your department and/or division might enforce earlier deadlines for local curriculum review. Contact your Curriculum Reps to make sure!
