There are many required Title V updates due over the next few meetings. In order to ensure progress the following instructors will, a) prompt action and, b) review updates, prior to BSSCC consideration:

Brian E: SOC

Brian T: BUSI

Jose: CHLD, PHIL

Nicole Kirby: ACCT

Joe: PSYCH

Bill: ANTH, GEOG

Ben: HIST

Teresa will talk with Russel Wong about the SPED course(s).

John Fox will look into SOSC 20 (Cross-cultural Perspectives for a Multicultural Society)

Allison / Teresa will notify Daphne that SOSC 79 (Intro to Community Service) will likely be deactivated.

Ben noted that the PSYC department may choose to simply update ALL PSYC CORs in order to put them all on the same 5-year cycle. That is fine to do.

Jose noted concern over the large number of APPR courses (55) that need COR approval. Allison has tried to impress the importance of early action upon the concerned individuals (David Ellis, Robbie Kunkel, Andrew LaManque).
