

## BHS Division Curriculum Meeting Minutes May 19, 2017

**Attendees:** Rachelle Campbell, Patti Chan, Sara Cooper, Kathleen Duncan, Karen Erickson, Jenene Key, Steven Knight, Maureen MacDougall, Christine Mangiameli, David Sauter, Nanette Solvasson, Phyllis Spragge, Shaelyn St.Onge-Cole, Angela Su, Dan Svenson, Shirley Treanor, Bonny Wheeler, Judy Yamamoto

### Revised Courses

Course	Owner	Notes	Supporting Documentation	Status
RT72	Rachelle	primary change: dropped lab hours, units and content stay the same	RT72_51C Content Review	Approved
RT52D	Rachelle	lab component was minimal and was TBA. Lab time converted to lecture. Change to 3 hours of lecture. Content aligned with objectives based on revision to national curriculum. Added example assignment detail.	RT52D_55B Content Review	Approved
EMR 50	Dave/Brian	prereq to EMT program, teach as a hybrid course.	EMS 50 Distance Learning Application	Approved
BIOL45	Carolyn	Updated prereqs, content, methods of eval, text, method of instruc,	BIOL45 Content Review	Approved
DA51A	Cara	updated to reflect what she is doing in the class.		Approved
DA51B	Cara	units, objec, lab content		Approved
VT54B	Lisa	Removed VT51A as a prereq because it is a prereq for 54A, avian, amphibian, reptile content moved to exotics class to give more time to cover clinical applications for more traditional species.	VT54B_54A Content Review	Approved
VT84	Lisa	Lab portion moved to VT84L anesthesiology class, needed community access to the lecture, lab is separated out, increasing coverage for lab animal, avian as well  ?: to many units for accrediting, so have decreased internship hours	VT84_VT83 Content Review	Approved
VT85	Lisa	prerequisite change, adjusted objectives to take account for not having anesthesiology	VT85_VT83 Content Review	Approved
AHS60C ACLS (Formerly RESP60B)	Brenda	certification for RT and PARA students and rad tech. Move from resp to AHS, open to all , required by RT and PARA, ?: Lecture, but there are skills check off could it be written differently so that the lecture lab is better represented. One instructor in the lecture, multiple instructors in the lab. Repeatability? Has to be recertified every 2 years.  Are students really in the class for 24 hours? Or are the 8 hours of certification removing students from the classroom for 8 hours.  Not quite designed what is happening in terms of delivery. Concerns about cost of hiring folks for certification (can't hire PT as TEA).  If trying to make appealing to outside, may need to be packaged differently for outside folks who can be certified in a day.		Returned to Author

## New Courses

Course	Owner	Notes	Supporting documentation	Status
AHS 52 Med Term	Shirley	SLO discussion stand alone as a prerequisite for the programs, add biology to discipline list online or hybrid or face to face	AHS 52 Distance Learning App AHS 52 Stand alone	Approved
AHS 60B BLS	Dave H	delayed	StandAlone - BLS	Returned to Author
AHS 60D PALS	Dave H	delayed		Returned to Author
AHS 60F PHTLS	Dave H	delayed		Returned to Author
AHS 60E First Aid/CPR	Dave H	delayed	StandAlone - First Aid-CPR	Returned to Author
Hort 54L	DaveS	3 <sup>rd</sup> in series of three classes (others approved already), (insect and weed identification), elective SLO discussion		Approved
DMS 200	Steve	Modeled after courses in DH, Rad Tech, meant to be boot camp on DMS as a prerequisite for the program . Mostly online, one Saturday, students scan in the lab and interact with faculty. Offered each quarter. Help to find the right students for the program. Still a lottery, but student will have to take the class. Give students an idea of how intense the program is.	DMS 200 Stand Alone DMS 200 Distance Learning Application EMSI_DMS.pdf	Approved
VT 84L	Lisa	Same lab, but separated from the lecture so can be managed independently from the community students in the lecture.	VT 84L_VT84 Content Review VT84L_VT83 Content Review	Approved

### Landscape Technician Certificate of Achievement:

Vote: Pending PARC approval, **approved** by division

### Public Health ADT:

Division: add BIOL14 as a COR requirement option for Public Health ADT.

**Approved**
