## 4. Course Changes - **Approved**

-- Title V Updates: ECON 1A, ECON 1B

-- SPED 64: deactivate

-- SOSC 20, SOSC 79 teaching disciplines: when multiple disciplines are listed the intent is that anyone having any one of the disciplines listed is eligible to teach the course. (It was pointed out that Social Science is essentially a catch-all of all SS departments – so if that is listed then everything else is redundant. )
