Program Sheet Updates - **Approved**

- SOC (removed SOC 21 and added POLI 9 as a cross-list for Econ 9)

Tabled until next meeting

- BUSI – wording is confusing on support courses... Also noted that there are many non-transcriptable certificates ... it would be best to hear about this from the Business department.
- ACTG – also tabled due to large number of non-transcriptables

Program curriculum sheets need to be approved NEXT BSS meeting (1/31/17) – they must be posted on canvas by 12 noon 1/27/17. Here is the current status of all Program Sheets:

Accounting	tabled for more discussion and action on 1/31
Anthropology	author awaiting access to CMS
Business Administration	tabled for more discussion and action on 1/31
Child Development	author awaiting access to CMS
Social Science	needs author for revision
Humanities	ready for review on 1/31
Philosophy	Proof
Political Science	BSSCC approved but author awaiting access to CMS
Psychology	no changes, ready for review on 1/31

DONE: Economics, Geography, GIST, History, Women’s Studies, Sociology

Other Announcements

The course deactivation list (courses not taught in 4 years) will be available 1/24/17 and the deadline for action will be roughly 3/10/17. Inaction will mean courses will be deactivated. If you would like an exemption the FHCCC wants to see the logic and plan of action.

Kathryn Maurer and Brian Evans are creating two new Global Studies courses. If you would like to get involved please contact them.
